

## LIVE AQUA CANCÚN PRESENTS NEW EXECUTIVE CHEF:

### **César Germanin Arroyo Gómez**

*Cancun, Mexican Caribbean, July 21, 2014.*- Live Aqua Cancun is proud to announce the recent incorporation of Executive Chef César Germain who assumes the direction of the Live Aqua culinary team consisting of more than 60 chefs, cooks and kitchen aids. Everyday these dedicated professionals delight the guests' highest taste demands at the 12 different restaurants and gastronomical corners of this *Adults Only Be Yourself lifestyle resort*.

Chef César Germain is originally from Puerto Varas, Chile, but from a young age resides in the heart of the Mexican Basque Country where his family operates several "tapas" restaurants in the city of San Sebastian, where his passion for the culinary art begins. First he specializes as a Pastry Chef, but then specializes in Mediterranean-Basque cuisine which emphasizes the use of fresh and healthy ingredients. Chef Germain is also very keen of new culinary tendencies so he incorporates molecular touches and preparation techniques within his specialty dishes.

The Chef's professional career includes diverse creative and leadership roles within renown international restaurants and hotel chains in Europe and both North and South America. Among his achievements, he has been able to position some of his restaurants as Four and Five Diamond establishments as awarded by the American Automobile Association (AAA), a highly distinguished merit by international standards. Chef César Germain is an active member of the *Academie Culinaire de France*.

"Live Aqua Cancun consistently seeks to offer the latest trends and highest quality in every guest's culinary experience, one of the essential elements for which they remember their stay at our resort. We are very proud to include amongst our exceptional team such experience and talent as that of Chef Germain," declared Alfredo Santamaría, General Director of Live Aqua Cancun.
