Beverly Hills, Los Angeles, California, December 13, 2013 – Beverly Hills' iconic Peninsula Hotel served as the ideal setting to commemorate the tenth annual *Global Traveler Awards*, which named Fiesta Americana the "Best Hotel Chain in Mexico" for the third consecutive year.

The *Global Traveler Awards* are highly recognized in North America's hospitality industry for their business and luxury travel ratings. Winners are determined through an extensive survey of thousands of travelers and *Global Travel* readers, who rate travel-related business from around the world across 66 categories, including airlines, hotel chains, loyalty programs and more.

"For Posadas, and particularly for Fiesta Americana, this award is an incentive to continue to offer our guests the best five-star hospitality in Mexico, with the service and consistency that characterizes the world's best," said Liliana Franco, Posadas' Director of Branding and Marketing.

"Being recognized as the 'Best Hotel Chain in Mexico' for the third time certainly fills us with pride," she added. "We expect it will also strengthen guest preferences in favor of Fiesta American, whether they're traveling for business or pleasure."

Global Traveler's third consecutive "Best Hotel Chain in Mexico" award is only Posadas' latest recognition in a year filled with accolades, awards and positive stories honoring Mexico's most successful hotel company.
