Fiesta Americana Grand Los Cabos Changes to All-Inclusive Plan

- As of December 15, guests receive personal service and a high-quality, luxury resort experience with everything included in a single all-inclusive rate.
- Three years ago, Posadas initiated the all-inclusive concept at its hotels in Cancun, Quintana Roo. On the heels of that success, the company is bringing the concept to Los Cabos to satisfy consumer demand.

Cabo San Lucas, Baja California Sur, November 19, 2013. Three years after launching the successful All Incluvise concept at its resorts in Cancun, Posadas is bringing the "everything is included" plan to the *Fiesta Americana Grand Los Cabos All Inclusive Resort*.

The intent of the concept is to offer guests the opportunity to enjoy their luxury all-inclusive vacations to the fullest, while allowing them to add on massages and body treatments at the award-winning Somma WineSpa, the only vinotherapy (wine therapy) spa in Mexico, plus use of the golf course, whale-watching excursions, scuba-diving, tours to the Arch at Land's End and even 4-wheeler off-road adventures.

The All Inclusive switchover occurs on December 15, 2013, ushering in a new era for the hotel and setting it apart for its luxury and distinction. The all-inclusive rate will cover lodging, drinks, food (breakfast, lunch, dinner, snacks), 24-hour room service, cultural and artistic activities, taxes and service fees, while emphasizing superior quality and personal service that creates new experiences and memories that families will remember for a lifetime.

With this change, Fiesta Americana Grand Los Cabos All Inclusive Golf & Spa renews its commitment to providing world-class service and amenities to each guest, surrounded by an ambiance of exclusivity and luxury.
